Bad Religion, All Good Soldiers

All good soldiers crack like boulders

The sun climbs up to a razor

Violins, new boots and numbers on a chain

All good soldiers

All good soldiers

Fall in line when they march and shout

All good soldiers

Are a spectacle marching and singing

" Will go anywhere ", the President says

Because the President believes in God

Like all good soldiers should

All good soldiers wait like warheads

When the fighting starts

Who will be accountable, a cannibal, a cannonball

All good soldiers, all good soldiers

All good soldiers

Fall in line when they march and shout

All good soldiers

Are a spectacle marching and singing

" Will go anywhere ", the President says

Because the President believes in God

Like all good soldiers should

It's six A.M. I could see my breath

And the clay dirt is laughing at the weakling boy

Today is the day that I'll write my friends

It's something I've been trying to remember

I had a dream of a wall that was twenty-one storeys tall
