

# Bad Religion, American Dream

I hate my family, hate my school  
Speed limits and the golden rule  
Hate people who aren't what they seem  
More than anything else  
American dream  
American dream's gonna swallow you whole  
It's bursting at the seam  
It'll sweep you away, so enjoy it today  
Tomorrow, you'll be old thus useless  
American dream  
American dream  
American dream, that's okay  
'Cause no one dare give you away  
I hate my job, I hate your God  
I hate hypocrites and common slob  
hate people who aren't what they seem  
More than anything else  
American dream  
Promise me today, I'll have a Chevrolet  
With whitewalls on the side  
One boy, one girl, comfortable lies  
The American dream, American dream  
American dream, that's okay  
'Cause no one dare give you away  
American dream  
(Bleah!)
