

# Bad Religion, Best For You

Above us lay the burdens, below us lay the truth  
We're somewhere in the middle and we're all discontent too  
Is someone watchin' over you?  
Inside they know what's best for you  
Judgment's not tomorrow  
Its today, yes now, it's here  
But no, it isn't Jesus, take a look at all your peers  
They're all lookin' down on you  
Inside they know what's best for you  
Everybody knows what's best for you  
Everybody knows what's best for you  
Everybody knows what's best for you
