

Bad Religion, Do What You Want By: Bad Religion

Hey Do What You Want
But Don't Do It Around Me
Idleness and dissipation breed apathy
I sit on my ass all god damned day
oh misanthropic anthropoid with nothing
to say what you must , do all you can ,
break all the f**king rules , and go to hell with
Superman and die like a champion ya hee!
Hey I don't know if the billions will survive
but i'll believe in god when 1 and 1 are 5
my moniken is man and i'm rotten to the core,
i'll tear down the building just to pass through the door
so do what you must, do all you can ,
break all the f**king rules , and go to hell with
Superman and die like a champion ya hee!
