

# Bad Religion, What It Is

If there's a purpose and there's a goal  
There's a virtuous and immoral  
There's a reason for all of this  
But I don't know what it is  
I am one, and plural too  
I accept them but they exclude  
I could make sense of all of this  
But I don't know what it is  
The seeds of inspiration  
Never germinated in my mind  
The beacon of awakening  
Is somewhere that I can't find  
So I don't know what it is

There's a beginning, and there's an end  
There's a climax, some would contend  
There's a way to signify this  
But I don't know what it is  
The seeds of inspiration  
Never germinated in my mind  
The beacon of awakening  
Is somewhere that I can't find  
So I don't know what it is  
Show me something more to meditate  
I don't know what it is
