

# Bananarama, You're Never Satisfied

I gave you everything but you still want more  
You just don't know what you're looking for  
You used to say I was all you ever need  
But now you're running 'round footloose and free  
You choose to play the other side of the tracks  
Then expecting me to take you back  
You never know what's good for you  
You want your cake and eat it too  
Took my love, threw it on one side  
Saying the grass is greener on the other side  
You can look but you'll never find  
Don't you know you're never satisfied?  
If you play with fire, you'd better learn  
You fool around, you get your fingers burned  
Out of mind is out of sight  
Don't know how you sleep at night?  
Took my love, threw it on one side  
Saying the grass is greener on the other side  
You can look but you'll never find  
Don't you know you're never satisfied?  
Took my love, oh, but you can look  
You're never satisfied  
Don't know how you sleep at night ?  
Footloose and free  
You want your cake and eat it too  
You choose to play the other side of the tracks  
Then expecting me to take you back  
You never know what's good for you  
You want your cake and eat it too  
Took my love, threw it on one side  
Saying the grass is greener on the other side  
You can look but you'll never find  
Don't you know you're never satisfied?
