I?m in the hotbox

Sweet mermaid of Salinas  
We have just the sea between us  
You?ve seen inside my mind  
Your magic so sublime.

Sweet mermaid  
Sweet mermaid  
Sweet mermaid

I?m in the hotbox  
I?m in the hotbox  
In the hotbox, in the hotbox

Sweet mermaid of Salinas

The world comes alive  
As I dive into your eyes  
Just you and me, just you and me  
Just you and me

I?m in the hotbox  
I?m in the hotbox  
I?m in the hotbox.
