

# Conan Gray, Lonely Dancers

We're lonely dancers  
Join me for the night  
We're lonely dancers, baby  
Dance with me so we don't cry  
We're lonely dancers  
There's no need to hide  
I know the answer, baby  
Dance with me so we don't cry  
La la la-la la  
Cry  
La la la-la la

Your lover left you  
Broke up tonight  
My lover's busy  
Kissin' other guys, oh  
We're both alone now  
Tears in our eyes  
I know the perfect way  
To waste our time

We're lonely dancers  
Join me for the night  
We're lonely dancers, baby  
Dance with me so we don't cry  
We're lonely dancers  
There's no need to hide  
I know the answer, baby  
Dance with me so we don't cry  
La la la-la la  
Cry  
La la la-la la

Wait, stop  
Forget that guy  
He don't know love  
I hope he dies  
Get back up  
We'll be alright  
Tonight you're mine

We're lonely dancers  
Join me for the night (hey)  
We're lonely dancers, baby  
Dance with me so we don't cry  
We're lonely dancers  
There's no need to hide (oh)  
I know the answer, baby  
Dance with me so we don't cry  
La la la-la la  
Cry  
Dance with me so we don't cry  
La la la-la la  
Cry  
Dance with me so we don't cry
