

# Conan Gray, Memories

It's been a couple months  
That's just about enough time  
For me to stop crying  
When i look at all the pictures  
Now I kinda smile  
I haven't felt that in a while...

It's late, I hear the doorbell ringing  
And it's pouring  
I open up that door  
See your brown eyes at the entrance  
You just wanna talk,  
And I can't turn away a wet dog

But please don't ruin this for me  
Please don't make it harder than it already is  
I'm trying to get over this.

I wish that you would stay in my memories  
But you show up today just to ruin things  
I wanna put you in the past  
Cuz I'm traumatized  
But you're not letting me do that  
Cuz tonight  
You're all drunk in my kitchen  
Curled in the fetal position  
Too busy playing the victim  
To be listening to me when I say  
I wish that you would stay in my memories  
In my memories  
Stay in my memories

Now I can't say goodbye  
If you stay here the whole night  
You see,  
It's hard to find an end  
To something that you keep beginning  
Over and over again  
I promise that the ending always stays the same.

So there's no good reason  
In make believing  
That we could ever exist again  
I can't be your friend  
I can't be your lover  
I can't be the reason we hold back each other  
From falling in love, with somebody other than me.

I wish that you would stay in my memories  
But you show up today just to ruin things  
I wanna put you in the past  
Cuz I'm traumatized  
But you're not letting me do that  
Cuz tonight  
You're all drunk in my kitchen  
Curled in the fetal position  
Too busy playing the victim  
To be listening to me when I say  
I wish that you would stay in my memories  
In my memories  
Stay in my memories

Since you came  
I guess I'll let you stay

For as long as it takes  
To grab your books and your coat  
And that one good cologne  
That you bought when we were fighting  
Cuz it's still on my clothes  
Everything that I own  
And it makes me feel like crying  
I was barely just surviving.

I wish that you would stay in my memories  
But you show up today just to ruin things  
I wanna put you in the past cuz I'm traumatized  
But you're not letting me do that  
Cuz tonight  
You're all drunk in my kitchen  
Curled in the fetal position  
Too busy playing the victim  
To be listening to me  
When I say  
I wish that you would  
Stay in my memories  
In my memories  
Stay in my memories...  
(sigh...)
