

Conan Gray, The Story

let me tell you a story
about a boy and a girl
it's kinda short , kinda boring
but the end is a whirl
they were just 16
when the people were mean
so they didn't love themselves
and now they're gone
handsome on a lawn

and when I was younger
I knew a boy and a boy
best friends who loved each other
but always wished they were more
cause they loved one another
but never discovered cause they were too afraid
of what they'd say
moved to different states

and I'm afraid that's just the way the world works
it ain't funny
it ain't pretty
it ain't sweet
and I'm afraid that's just the way the world works
but I think that it could work for you and me
just wait and see
it's not the end of the story
