

Elaiza, Is It Right (Eurovision Song Contest 2014)

Is it right? Is it right?
Is it right? Is it right?

He's got a pen in his hand
A piece of paper staring back
He could write like a man
A novel life, back on track

Maybe a drama or a poem
But still he doesn't, no
The time is ticking in his ear
The holy silence disappears

Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go

Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go

Is it right? Is it right?

She turns over and looks to him
She tries to feel; she can't feel anything
But it's so hard to say goodbye
When you know that it's right

So when it's all not what you thought
And the friendship is not enough
When you long to feel alive
And the take the chance to give it up

Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go

Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go

I know it's not easy to decide
To find your own direction
Oh the reach is high
But you can't hide

Is it right? Is it right?

Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go

Is it right or is it wrong?
I can't go on, you can't go on
If you say yes or even no
You don't know how and where to go

Is it right or is it wrong?
I can't go on, you can't go on
