

En Vogue, Does Anybody Hear Me

Chorus:

Does Anybody hear me?
Is anybody listening to what's going on?
Before we move on.
Does Anybody Hear me?
Is anybody listening?
How can we change hate?
before it's too late?

Verse 1:

Young with dreams, (ooo oo)
had 'em for a long time (ooo oo)
well nothing's impossible
as long as you put your mind to it.
Sometimes you wanna let go
hold on tight
but you gotta believe
with God on your side

Chorus:

Does Anybody hear me?
Is anybody listening to what's going on?
Before we move on.
Does Anybody Hear me?
Is anybody listening?
How can we change hate?
before it's too late?

Verse 2:

Happy, (ooo oo)
that's all you'll ever wanna be. (ooo oo)
Well, knowledge is power,
Absorb as much as you need
At times I feel like love passed me by
just imagine how the kids feel inside.

Chorus:

Does Anybody hear me?
Is anybody listening to what's going on?
Before we move on.
Does Anybody Hear me?
Is anybody listening?
How can we change hate?
before it's too late?
Does Anybody hear me? (When you feel you need a friend)
(Anybody listening...)
Is anybody listening to what's going on?
(on.... yeah, yeah, yeah)
Before we move on.
