

# En Vogue, I Love You More

i love you i love you i love you  
i love you i love you i love you  
i love you i love you i love you  
i love you i love you i love you  
i love you more than there are ocean grains of sand  
i love you more than there are voices in the wind  
i love you so i can't let go  
i love you so i want the whole wide world to know  
it's not unusual to feel this way  
sometimes i feel a bit insane  
i will confess i deserve nothing less than  
what you've given me so far  
i feel a high when i am by your side  
my life's so bright like summer skies  
i dreamed so long to have someone like you  
and now you're here with me  
and it feels so good  
1 i love you more than there are ocean grains of sand  
it must be love if i feel this way  
i love you more than there are voices in the wind  
only love makes me do these things  
i love you so i can't let go  
now that i have you  
i love you so i want the whole wide world to know  
i always thought you were my soulmate  
and extension of my heart  
the angels say it's a spiritual thing  
we will never be apart  
that's why i'm high when i am by your side  
my life's so bright like summer skies  
i dreamed so long to have someone like you babe  
and now you're here with me  
and it feels so good ooh  
repeat 1  
i love you more than all the ocean grains of sand  
i love you more than all the voices in the wind  
i love you so yeah  
never let you go  
i love you so i want the world to know  
i love you more than all the ocean grains of sand  
i love you more than all the voices in the wind  
i love you so  
never let you go  
i love you so i want the world to know  
i love you more than all the ocean grains of sand  
i love you more than all the voices i hear in the wind  
i love you so  
never letting go
