## En Vogue, Latin Soul

Me and my friends, we went out last night

To a small simple club on the nights

It didn't have much room, but hell they never do

Just chairs, a few tables, and some food

A small cramped band started playing, and all the room was swaying

Soon I found myself dancing, with a tall dark man

I was in a trance, a sort of romance

Between the rhythm and my soul, ohh

(Chorus)

Oooh, I wake up in the morning

And it's all me, I can hear the calling

And it's haunting each and everything

I didn't know my Latin love was oh so strong

Even in the middle of romancing, really love the rhythm when I'm dancing

Can't deny the spirit when you feel the Latin soul

After that night, my life had changed

I had no control and now I would behave

Every chance I got, I was at the club

Wining and dining like there was no tomorrow

Ooooh, oooh, So free

Ooooh, oooh, So me, yea yea

Ooooh, oooh, So lifting

And I don't want it to stop, no

(Chorus 2x)

If your life can't seem to get going, hopelessness is showing

To your soul, and to Latin

Get into the sounds, of the rhythms beating out

Cuz when your dancing, your spirit will be free, yea

Ooooh, oooh, So free yea

Ooooh, oooh, So me, yea yea

Ooooh, oooh, So uplifting, yea

And I don't want it to stop, no

(Chorus 3x)
