Tell me will your sons  
Know their father one day

Leader of men  
Leader of men  
Get back in your cage  
Will you be one of them?

Like an American drug  
Makes a mean cock grow  
.. coward and a priest  
Makes a superman of glass

Go Go Go

The S on your chest  
You're feeling like a god  
An order of animal  
We try to find a rod

Superhero, sensei, Nero, smiling, hiding, riding, flying, sighing, sumo

Leader of men  
Leader of men  
Get back in your cage  
Ain't no grave going to hold this body down  
The sun rises here to save us now  
Its all erased  
Storybook years  
Sweet memories  
Wash it away  
Wash it away  
Wash it away
