

Gwen Stefani, You Make It Feel Like Christmas (ft

I want to thank the storm that brought the snow
thanks to the string of lights that makes it glow
but I wanna thank you, baby
you make it feel like Christmas

It barely took a breath to realize
we're gonna be a classic for all time
I wanna thank you, baby
you make it feel like Christmas

Sweet gingerbread made with molasses
my heart skipped and I reacted
can't believe that this is happening
like a present sent from God

Sleigh bells singing halleluiah
Stars are shining on us, too
I wanna thank you, baby
you make it feel like Christmas

Thought I was done
Thought that love had died
But you came along
I swear you saved my life
I wanna thank you, baby
you make it feel like Christmas

Sweet gingerbread made with molasses
my heart skipped and I reacted
can't believe that this is happening
like a present sent from God

Sleigh bells singing halleluiah
Stars are shining on us, too
I wanna thank you, baby
you make it feel like Christmas

I never thought I'd find a love like this
but I found forever in that very first kiss
I wanna thank you, baby
you make it feel like Christmas

I wanna thank you, baby
you make it feel like Christmas
