

Hoobastank, Misty's Love Song (To Ash)

ash: good night misty,goodnight brock.
misty: good night ash,sweet dreams.

out here in the quiet of the night.
beneath the stars and moon.
we both know weve got something on our mind.
we wont admit.
but its true.

you look at me,i look away

i wanna tell you what im feeling,
but i dont know how to start.
i wanna tell you but now im afraid,
that you might break my heart someday.
oh why should anything so easy,
ever be so hard to do.
i wanna tell you what im feeling and to say that,
i love you.

i practice all the things that i could say.
line by line, every word.
i tell myself today will be the day,
but everytime i loose my nerve.

i look at you,you look away.

i wanna tell you what im feeling,
but i dont know how to start.
i wanna tell you but now im afraid,
that you might break my heart someday.

oh why should anything so easy,
ever be so hard to do.
i wanna tell you what im feeling and to say that,
i love you.

why? why do you look away?
it must be your afraid like me.
i try(i try) but i cant pretend that i.
dont feel for you the way i do cant you see?

i wanna tell you what im feeling,
but i dont know how to start.
i wanna tell you but now im afraid,
that you might break my heart someday.
oh why should anything so easy,
ever be so hard to do.
i wanna tell you what im feeling and to say that,
i love you.

i wanna tell you what im feeling,
(i wanna tell you what im feeling)
but i dont know how to start.
i wanna tell you but now im afraid,
that you might break my heart someday.
oh why should anything so easy,
ever be so hard to do.
i wanna tell you what im feeling and to say that,
i love you.
misty whispers: i love you
ash: huh? did you say something misty?
misty: no nothing ash
