Baby play cool  
I always be a lover and a fool  
Like a ? five

We lying united, excited  
Till we fallen to the pool  
We?re wet, forgetting all the rules  
It?s ? wide  
?

Just tell me, tell me, tell me, tell me  
It?s alright!  
Don?t tell me, tell me, tell me, tell me  
I won?t been take you to home tonight

I look up to sky  
And I feel small  
Than I look in your eyes  
And I feel it all

Just a Lover And A Fool  
Of course, you knew!  
You knew you catch me before fall
