

Katy Perry, Cozy Little Christmas

Everybody's in a hurry, in a flurry, shopping till their droppin in the snow
Kids are crying, dogs are barkin, catching up with folks we barely know
Sure it's madness but it's magic as soon as you hang up the mistletoe
Cause you're the reason for the season,
No, we don't need to keep up with the Jones

our love is something priceless

I don't need diamonds
no sparkly things
cause you can't buy this a-feeling
nothing lights my fire, or wraps me up, baby, like you do
just want a cozy, a Cozy Little Christmas here with you

so Mr. Santa take the day off
get a massage, cause we got this one all under control
a little whisky, we're getting frisky and slow dancing to Nat King Cole
no, we ain;t stressin', just caressin', warming up our popsicle toes
nothing missing, cause you're a blessing
yes, you're the only one I;m wishing foe

our love is something priceless

I don't need diamonds
no sparkly things
cause you can't buy this a-feeling
nothing lights my fire, or wraps me up, baby, like you do
just want a cozy, a Cozy Little Christmas here with you

I don't need anything
take back all the Cartier and the Tiffany and the Chanel
well can I keep that Chanel?
please?

I don't need diamonds
no sparkly things
cause you can't buy this a-feeling
nothing lights my fire, or wraps me up, baby, like you do
just want a cozy, a Cozy Little Christmas here with you
