

# Marika & Spokoarmia, Risk Risk

Don't know why losing my mind  
I'm just about to die  
You give me very special sort of drive  
And every time I see your smile  
I can't help just love your style

whateva it's gonna bring believe me that I'm in  
it's in my eyes, emotions rise  
yes I will take the risk  
Please don't get me wrong  
cause precious is my time  
really want to know u betta  
but ruff enough to do like salt'n'peppa

Iny weeny teeny weeny  
Shriveled little small brain man  
Don't want don't want don't want  
/3x  
Iny weeny teeny weeny  
Shriveled little small brain man

I smell trouble  
As it's starting once again, yaeh, yeah  
Double trouble  
But I really want to see what's there  
/2x

Don't go away cause it might be love  
I see your eyes glow  
it works as long as you feel it works, yaah  
Don't go, I recognize you, yeah  
It might me love  
it works as long as you feel it works

I smell trouble  
As it's starting once again, yaeh, yeah  
Double trouble  
But I really want to see what's there
