

New Direction, Heal The Land

Innocent blood, in the land
So much killing, in the land
Peoples are dying, in the land
My prayer, heal the land
There is hatred, n the land
There is crime, in the land
No love, in the land
My prayer is, heal the land

[Chorus]
Heal the land, heal the land
My prayer is, to heal the land
Heal the land, heal the land
My prayer is, to heal the land

So much trouble, in the land
Guns and drugs, in the land
Gangs are on the uprise, in the land
My prayer is, heal the land

[Chorus:]
So many crises, in the land
Ther's no peace, in the land
There is no love, in the land
My prayer is, heal the land

[Chorus:]
Heal the land
Heal the land
Heal the land
Heal the land
[repeat]

My pearyer is, to heal the land

Come on Jesus won't you heal the land
Heal the land
