

New Direction, I Can Make It

[Chorus:]

I can make it, I can stand.
Stay with with me, hold my hand.
You are my peace, You are my joy;
I can make it, I can stand.

[Bridge:]

Through heartches, disappointments,
even through sickness and pain;
I can make it, I can stand.

[Vamp 1:]

I can make it, I can stand.

[Vamp 2:]

I can stand, stand, stand, stand.
