

# Planet Smashers, Life Of The Party

Crash through the lobby, don't know where to go  
Dates not here it's a quarter to ten, time to start jumpin'  
You know life's not easy, but it's the only way to be  
Maxin' out the cards at every bar, the bouncers are after me  
Wo-oh hey hey gonna rise up to the occasion  
Wo-oh hey hey the party doesn't start till I get there yeah,  
Hey baby, I'm the life of the party,  
Life of the party yeah,  
Hey baby, I'm the life of the party,  
Life of the party  
Life of the party,  
Life of the party.  
Check out the dance floor, shake it to the beat  
Party's on high wanna go all night  
Never want the evening to end  
Living after midnight, is the only way for me  
Can't sit tight, gonna party all night  
Everybody's watching me  
Wo-oh hey hey gonna rise up to the occasion  
Wo-oh hey hey the party doesn't start till I get there say yeah,  
Hey baby, I'm the life of the party,  
Life of the party yeah,
