Planet Smashers, Swayed

Why do you think you get what you want with your wallet Impossible to move I'm a rock (no-no-no) If you want my attention,

You had beter change your ways start acting kind (no miss-behaving)

And stop pushinh around I won't be swayed I won't be swayed

Gifts are nice and present helps but your money can't

Buy my love no-no-no (no-no-no)

If you want my affection you had better change your ways(take things easy)

Send some time (give more freely)

Then you'll find the chance increasing of me coming around

I won't be swayed

I won't be swayed I'm not gonna cave in no,

I won't be taken by my wills not breaking

I won't be swayed
