

Planet Smashers, Uncle Gordie

The Planet Smahers- Uncle Gordie

Shovel the snow off the frozen lake,
I start tying on my brand new skates
Shoot the puck with Uncle Gordie
He leaves work early 'cause we love hockey

Uncle Gordie he shoots he scores!

My friends ain't all-stars but they're ok,
Pick up teams drop the puck and play
Skate until dinner, watch the pros on TV
Screw my homework 'cause we love hockey
