

Rizzle Kicks, Happy That You're Here (Christmas

I don't care about the presents, no no no
I don't care about the tree, yeah yeah yeah
See it's different now we're grown-ups, oh oh ohhh
Christmas dinner isn't free, um hm hmmm

And the adverts come to early, no no no
And they're wrapping me in fear, yeah yeah yeah
When your presence is good enough for me, oh oh ohhh
And it's gifting me ideas, um hm hmmm

So turn on the lights
All festive and bright
Now turn on the lllllllllllights

I'm just happy that you're here, yeah yeah yeah
I'm just happy that you're here, at this time of year

And we're not all in attendance, no no no
Yeah some are in the sky, yeah yeah yeah
But we celebrate our journey, oh oh ohhh
And we keep our spirits high, Brandy

And outside its bloody freezing, no no no
But I really hope it snows, yeah yeah yeah
Coz the years just keep repeating, oh oh ohhh
And I don't want you to go, um hm hmmm

So turn on the lights
All festive and bright
Just turn on the lllllllllllights, (turn them on, turn them on)
And I don't mind being lonely
I'll keep my chimney clear
Just cover me in tinsel
We'll call it Christmas cheer,
Call it Christmas cheer
Call it Christmas cheer
Cheers, cheers, cheers, cheers, cheers,
