

Sia, Santa's Coming for Us

Nights are getting shorter now, hot chocolate
flies the air and Christmas cheer does too
picking out your Christmas tree, so lovely
The joy this time it brings to you
Santa's coming to town /2x

Sing it to deer in the sky
Sing it as they jingle-jingle-jingle tonight
sing it to the moon , set it free
you're the angel on the top od my tree
sing your heart out whit all of your love
Merry baby
Santa's coming for us /7x

sent your letters off to Santa
tell them all your secret wishes too
sent your letters off to Santa
Hoping all your wildest dreams come true
Santa's coming to town /2x

Sing it to deer in the sky
Sing it as they jingle-jingle-jingle tonight
sing it to the moon , set it free
you're the angel on the top od my tree
sing your heart out whit all of your love
