

# Simply Red, Its Only Love Doing This Thing

When a man just can't be trusted  
And again he's gone and lost it  
Your call has been registered  
It'll be returned when I get back home  
I've been out loving all night long  
I can't help it, that love it makes me strong  
When a man just can't be trusted  
And again he's gone and lost it  
Ask me all the questions you need  
I don't tell lies, my conscience don't bleed  
You'll get all the time I can give  
As long as you respect my freedom to live  
When a man just can't be trusted  
And again he's gone and lost it  
I just can't be trusted  
A kick in the ribs for the arrival late at night  
So late in the evening you could see the morning light  
When you're sat up alone and you wonder where I've been  
You can pick up my belongings and tell me where I can take them  
When a man just can't be trusted  
And again he's gone and lost it  
I just can't be trusted
