

Simply Red, Shades 22

Shades on a rainy day.
Bittersweet falling.
Still, I'll hit the beach today.
My memory is calling.

Shades on a rainy day.
I'm playing like the sun is shining.
Shades on a rainy day,
my game, my life is hiding.

My life is hiding.
Hiding.

Shades on a rainy day.
Bittersweet falling.
Still, I'll hit the beach today.
My memory is calling.

Shades on a rainy day.
I'm playing like the sun is shining.
Shades on a rainy day,
my game, my life is hiding.

My life is hiding.
Hiding.
My life is hiding.
Hiding...
