

# Simply Red, Wonderland

People, places  
Pursuing the chases  
Our moments were chosen  
Her senses, explosion

Take your pulse and read it well  
She never said you'd only get one chance  
Pay your debt and bleed as well  
You're living in the same circumstances

The end of an era  
Our future no clearer  
My people no stronger  
The blame I lay on her

Wonderland, Wonderland  
It's beautiful  
Wonderland, wonderland  
It's beautiful

Take your pulse and read it well  
She never said you'd only get one chance  
Pay your debt and bleed as well  
You're living in the same circumstances

The end of an era  
My future no clearer  
Our people no stronger  
The blame I lay on her

Wonderland, wonderland  
It's beautiful  
Wonderland, wonderland  
It's beautiful

Fading away, fading away until tomorrow comes  
To haunt us all  
It's coming again, it's gonna pick up on you  
And haunt you always

Wonderland wonderland  
Fading away
