

# Simply Red, Your Eyes

I wanna look into your eyes again  
I wanna look into the windows of your soul...again, again

Who's to know where time will lead us now?  
I can't believe this is happening now  
I'm not scared, I'm just wondering how  
I wanna see your eyes  
All the time we've shared between us now  
The feeling I have needs me to make a vow  
Now as I leave I must return somehow  
Cause I wanna see your eyes

When I look at you I fumble, my confidence takes a tumble  
But when I look into your eyes, I just crumble  
'Cos I know that it's you that my heart burns for  
That it's you that I'm yearning for

Who's to know where time will lead us now  
I can't believe this is happening now  
Well I'm not scared, I'm just wondering how  
I wanna see your eyes, I wanna make it right
