## Subb, Open Book

You want in, you want out? Your ranking's just beginning You ask me, don't ask me I don't know what I'm saying Hate tobacco, love tobacco? It ain't your opinion You wanted out, well your out So would you stop complaining!!!!! You hate me, I hate you But I hate you more than you do What about love, what about us? That leaves me out, there's no use I don't think so, I don't think so You're just a fucking noname I can read you, you can read me We are just two open books, yeah, you are!!!
