

Subb, The Dumbest Drag Queen

You scream like a drag queen
And cause major scenes
Every time you get back
You give misbelieve
It's kind of my fault
I'm always too clean
On The scene
On The scene
All in all it's your fault, you pervert
Let's not make a big deal, I'm drowning
I just love it when you cheat, you pervert
Getting busy with The dumbest drag queen
If I'd know a little better
If I'd had diseases
I wouldn't get upset 'bout
My girl's bigger dick
I'm kind of embarrassed
I'm kind ashamed
On The scene
