

# Trae Tha Truth, Stay

Don't be thinking about money, nigga, no  
Anybody try to stop it, they gotta go  
When I pull up in this new shit niggas know  
Probably run up to your bitch with another hoe  
In these streets I'm still the king  
And I wouldn't survive my city  
Probably made to come to move  
And I'm bringing my city with me, Whitney Houston  
Gotta get this money right now  
Gotta get this money right now

I stay trill  
Fuck niggas ain't shit to me  
And that's how I feel  
Pussy niggas keep distant me like I ain't real  
All this money I'm getting, bitch, go through this deal  
Someone help in this traffic, ain't time to chill  
This just how I feel  
Tell me Mr. Nigga, that's just how I feel

The only way to live your life is to keep it running and get to the pesos  
So every single day of this life I'm tryna get it  
'Cause it's not enough till I say so

All I do is get to the money, collecting the sack  
Niggas...I'mma be in this spot for a minute  
Tell 'em to focus 'cause I'mma focus on haters till everyone notices  
...can't nobody compete with the trill, I'm the coldest  
Niggas keep testing, probably 'cause they be stressing  
...I'm sending a message and I ain't talking about texting  
...in the city riding solo....  
I gotta get this money, my hustle got me going insane  
All this money keep calling my name

I stay trill  
Fuck niggas ain't shit to me  
And that's how I feel  
Pussy niggas keep distant me like I ain't real  
All this money I'm getting, bitch, go through this deal  
Someone help in this traffic, ain't time to chill  
This just how I feel  
Ain't no time to chill  
Nigga, that's just how I feel

We forever on the paper chase  
We chase paper, never sleeping, gotta wake up  
And take up, ain't talking about no money, what you say?  
I can't hear you, you breaking up  
Nigga, get off of my sale....we money incorporated here  
They probably was producing, orchestrated here  
...you would think a nigga starve because a nigga go hard  
And the pain go hard if I can't get through...  
And if you try to rob me you better ask somebody and understand what you coming to see  
And if you coming with heat you better watch out for...  
Let me shine, let me get a little light, you can stay dark  
You can stay pushing killers in the cars, I'd rather move kilos and be your boss  
A nigga wanna run shit so I'm never on the dumb shit  
And always come equipped

The only way to live your life is to keep it running and get to the pesos  
So every single day of this life I'm tryna get it  
'Cause it's not enough till I say so

I stay trill

Fuck niggas ain't shit to me  
And that's how I feel  
Pussy niggas keep distant me like I ain't real  
All this money I'm getting, bitch, go through this deal  
Someone help in this traffic, ain't time to chill  
This just how I feel  
Ain't no time to chill  
Nigga, that's just how I feel

The only way to live your life is to keep it running and get to the pesos  
So every single day of this life I'm tryna get it  
'Cause it's not enough till I say so
