

# Xiu Xiu, Walnut House

Think about it before you spray paint don't worry mom  
On the dumpster of the nursing home they have as many eyes as a pineapple  
I am the dumbest bitch on the planet  
On the second floor landing sweating buckets  
My arm pits are like black moons shaking at the end of  
A cord my leather daddy dancing very near like a sweetheart would  
Hurting my butthole like a sweetheart would  
Oh, oh it's a little titmouse  
Ah, ah little chickadee  
Oh, ooh it's little ruddy duck  
Don't worry mom
