

# ZEAL & ARDOR, to my ilk

Mmm  
Mmm

They'll make you come alive one day  
They'll make you step inside to make you pay  
So don't get stuck in pride, my love  
When you'll be watching me from far above

As long as they come, hold your bones to break 'em  
Only when the day come, you can sail away  
My child, my dear  
My child, my love  
My love  
Mmm

They'll take you far away, my kin  
They'll take you places you have never been  
So don't get lost in thought, my ilk  
Wrapped in finest cloth and finest silk

As long as they come, hold your bones to break 'em  
Only when the day come, you can sail away  
My child, my dear  
My child, my love  
My love

Oh  
Mmm  
Oh  
Mmm  
Oh  
Oh
